

Specialized Clinical DS Network

Capacity Building in the DS Sector

Enhancing Support for People with
Dual Diagnosis/Alternate Level of Care
that have Transitioned into the Community

The Specialized Clinical DS Network (SCDSN) is launching an education series for developmental service sector professionals who are supporting people with Intellectual and Developmental Disabilities/Alternate Level of Care that have transitioned from hospital to community.

Our free, pre-recorded, education modules will help advance clinical skills, professionalism and provide provincial tools to support DS staff in their various workplace environments.

Four Education Modules Include:

Module 1 - Understanding Intellectual and Developmental Disabilities (IDD) and Dual Diagnosis

Module 2 - Crisis Prevention and De-escalation in Developmental Services

Module 3 - Clinical Transition Planning

Module 4 - Fostering Resiliency and Trust in Developmental Services: Staffing and Inclusivity

Modules will launch weekly, beginning June 1, 2026 on
